D27 FARETTI & D14 EASY

### **Company overview.**

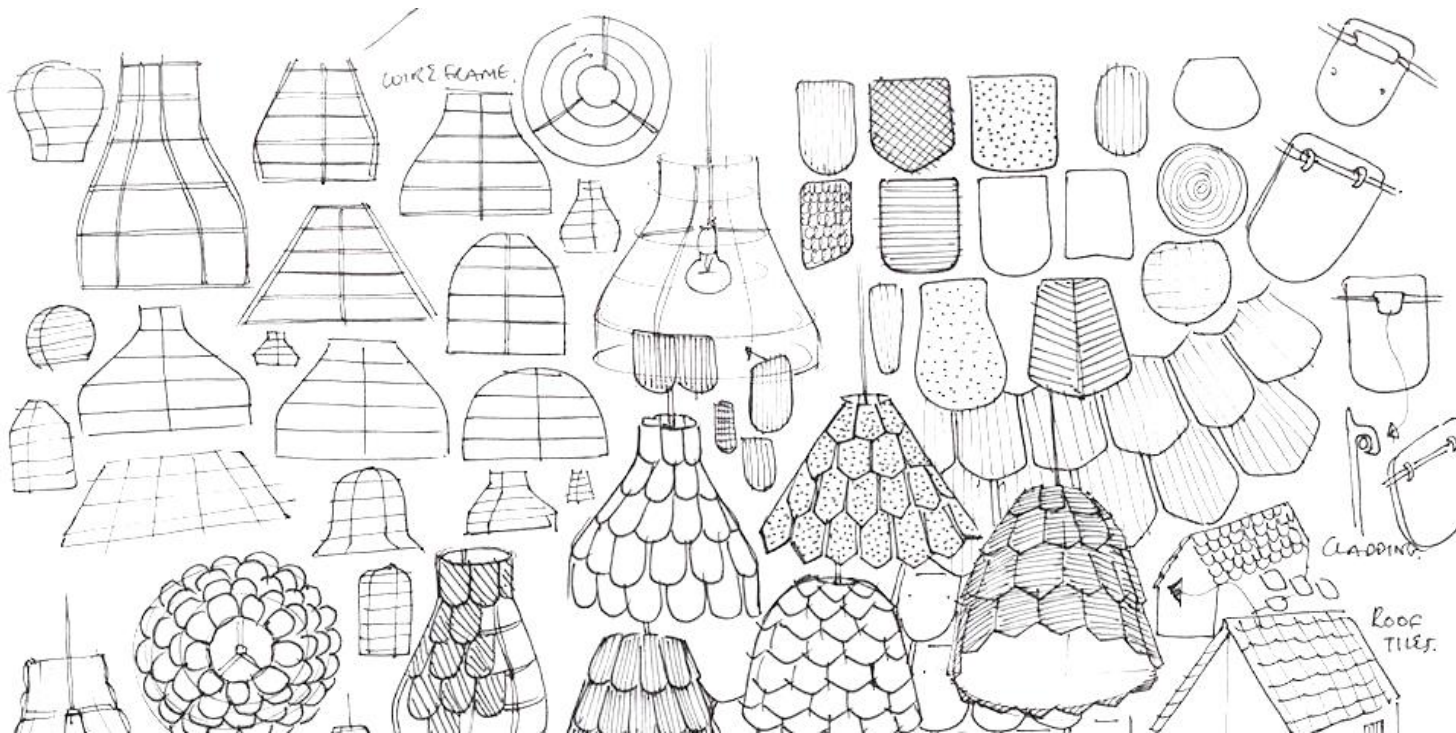

Established in 1961 in the Venetian countryside, Fabbian is one of the premier Italian lighting manufacturers operating in the modern design market, designing and manufacturing lighting fixtures for residential and commercial markets.

This history, combined with traditional Italian craftsmanship and the finest quality, keeps Fabbian a prominent brand that is internationally recognized in the architectural and design communities worldwide.

### Company overview.

The endless research on new materials, trends, and aesthetics has always been combined with market demands and new business opportunities.

From the very beginning to the design application, the product life cycle is strictly controlled to make sure that each light fixture meets the highest quality expectations and safety requirements.

These components give Fabbian products a vast and diversified array of inspirations and styles, which is also ensured by yearly prestigious collaborations with well-renowned and emerging designers.

## North America.

With over 20 years in North America, Fabbian USA offices are located in the world's capital of design, **New York City**, just blocks from Time Square.

## COMPANY PROFILE

### Company structure.

Proudly headquartered in Castelmino di Resana, in the **Venetian Countryside**, the company has an international outreach.

From **Venice**, it manages directly the European region, while it distributes the products through agents or importers in the other macro-geographical areas (Greater China, Russia, South and East Asia, South America, GCC countries, Northern Africa).

### Designers.

Fabbian has collaborated with some of the most prestigious designers throughout the world to create unique elements for your home and business.

## D27 FARETTI & D14 EASY

D27 Faretti and D14 Easy are Fabbian's leading models of recessed lighting.

Featuring clean modern looks with poured Italian crystal or white blown glass diffusers.

Faretti and Easy are offered in multiple lamp types and with choice of housing types.

D27 Faretti and D14 Easy are both well suited for **commercial and residential projects**. They offer ambient and diffused illumination.

## D27 FARETTI & D14 EASY

It is our view that Fabbian fixtures are the “**jewelry**” in the building that not only shine on their own, but also use the best technology in lighting to enhance all the other architectural features within the space as well.

## D27 FARETTI

Composed of **hand-poured Italian crystal**, each Faretti element is an artful masterpiece able to uniformly distribute the light in any place of the room.

With **19 different variations** (shapes, textures, finishes, and facets) in this product family, the wide range of design choices can add allure to any type of project.

Each crystal diffuser **sparkles** with either the see-through or satin finish or can be partially shaded with the front plate in stainless steel. Both open and closed downlight options exist with closed variations rated for damp locations.

## HOUSING Features

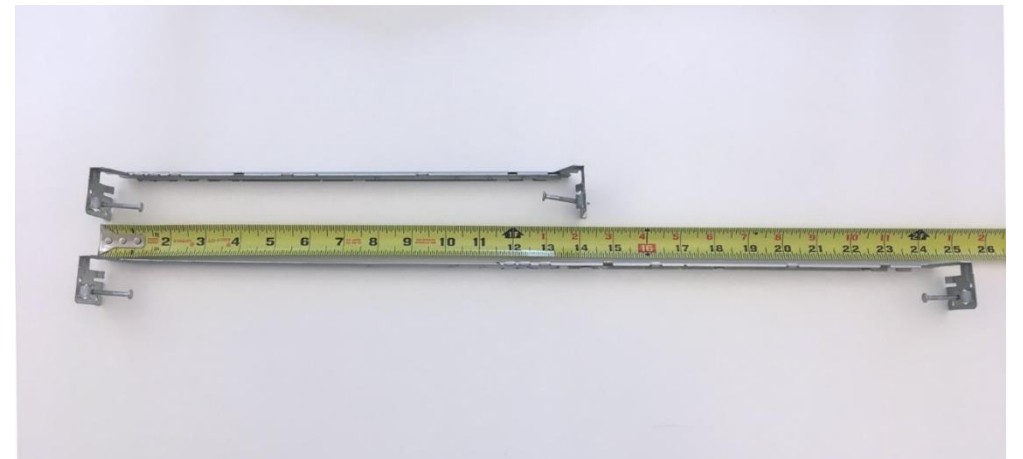

### IC and New Construction:

New Construction and Insulated Ceiling Housings have an ***adjustable lip*** that allows the fixture to be installed in ceiling depths ranging from ½" to 2-1/2" inches thick!

Hanger Bars slide from 13" to 25" for nearly every installation need and include 4 pre-attached nails on the hangers.

**Ceiling depths  
ranging from ½" to  
2-1/2" inches thick!**

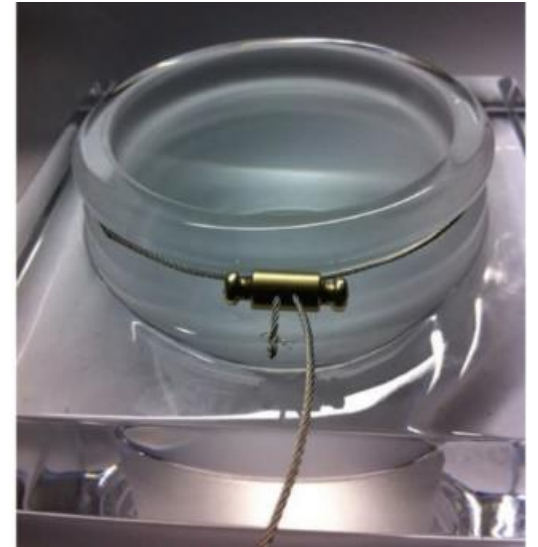

## D27 FARETTI & D14 EASY

### Housing Features - Safety Cable:

A Safety cable, that fastens the crystal to the housing, can also be provided as an option (Model D27-SC).

Under normal conditions (ie. Office, residential, etc.) the (4) retaining clips will hold the glass element to the fixture.

**For specific seismic regions** or in applications such as nightclubs, dance spaces, etc., the option is recommended.

## D14 EASY

Easy is a collection of recessed downlights for indoor use similar to Faretti, but using blown glass instead of Crystal.

The diffusers are in **satin-finished white blown glass**, while the structure is in polished chrome metal.

The simple, elegant shape of these light fixtures makes them perfect in every setting. The blown glass diffusers provide evenly diffused ambient illumination.

Easy's enclosed glass creates fixtures that are suitable in **damp environments**.

# SUMMARY

With the **highest-performance** architectural decorative products available on the market, we hope that the D27 Faretto and D14 Easy series of downlights will find their way onto your next project as the jewelry of the building to truly help **enhance your space.**
