

Design Elements

F41 Tripla Product Range

Company overview.

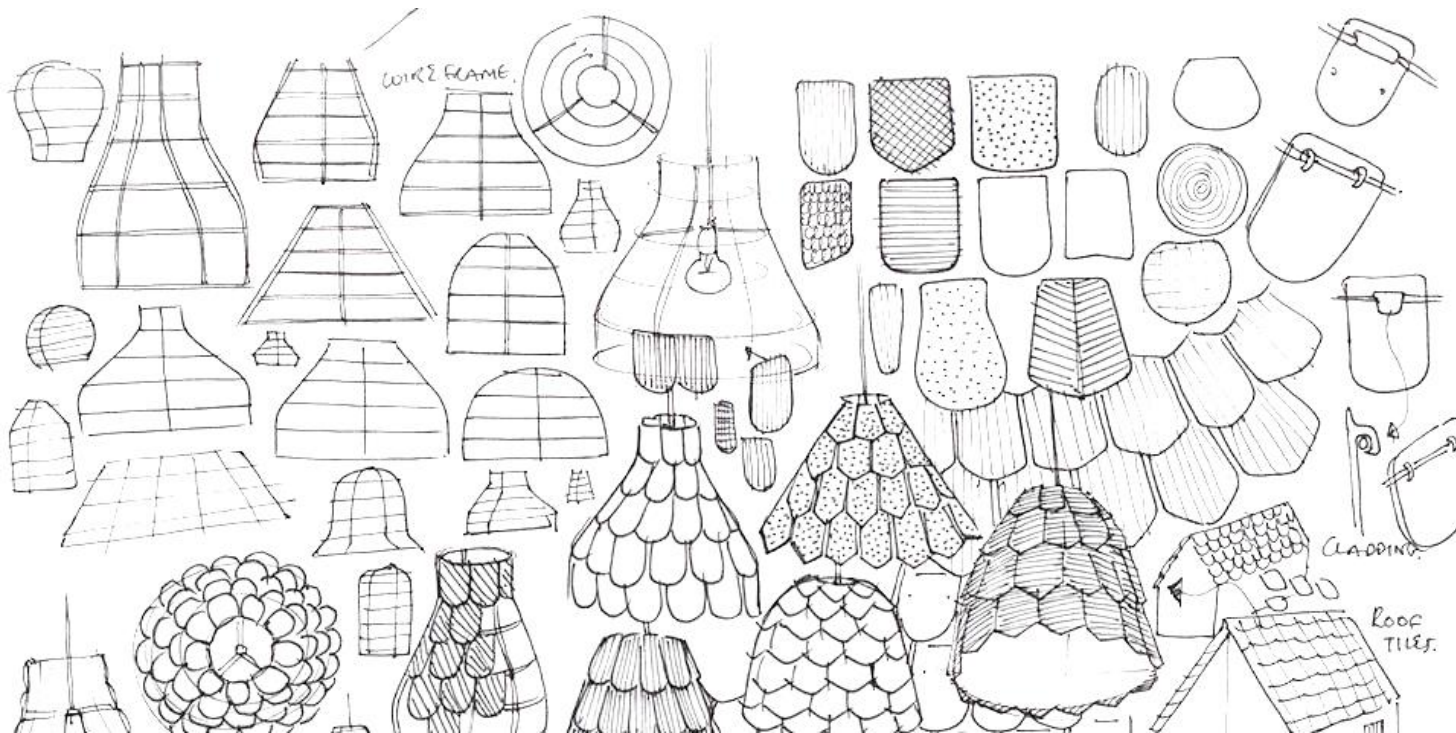

Established in 1961 in the Venetian countryside, Fabbian is one of the premier Italian lighting manufacturers operating in the modern design market, designing and manufacturing lighting fixtures for residential and commercial markets.

This history, combined with traditional Italian craftsmanship and the finest quality, keeps Fabbian a prominent brand that is internationally recognized in the architectural and design communities worldwide.

Company overview.

The endless research on new materials, trends, and aesthetics has always been combined with market demands and new business opportunities.

From the very beginning to the design application, the product life cycle is strictly controlled to make sure that each light fixture meets the highest quality expectations and safety requirements.

These components give Fabbian products a vast and diversified array of inspirations and styles, which is also ensured by yearly prestigious collaborations with well-renowned and emerging designers.

North America.

With over 20 years in North America, Fabbian USA offices are located in the world's capital of design, **New York City**, just blocks from Time Square.

COMPANY PROFILE

Company structure.

Proudly headquartered in Castelmino di Resana, in the **Venetian Countryside**, the company has an international outreach.

From **Venice**, it manages directly the European region, while it distributes the products through agents or importers in the other macro-geographical areas (Greater China, Russia, South and East Asia, South America, GCC countries, Northern Africa).

Designers.

Fabbian has collaborated with some of the most prestigious designers throughout the world to create unique elements for your home and business.

Trade Shows & Events.

Fabbian takes part in the world's most relevant trade show dedicated to light, EUROLUCE, in Milan, every two years, with a massive booth to showcase new collections and best seller products. Other important dates in the Fabbian's calendar are Stockholm Furniture & Light Fair, WantedDesign Manhattan, and Sleep London.

F41 Tripla

Tripla

Created from the winning entry of the Fabbian-sponsored Desall design contest to create the next classic lighting collection.

Tripla F41 is a crystal lighting collection by designers Devis Busato and Giulia Ciccarese.

The concept behind Tripla is the basic triangle, which evolves, acquiring volume to become a pyramid.

Its **tetrahedral shape** is a fine addition to Fabbian's collections of crystal lamps in essential shapes.

Its solid, exquisite design produces a versatile, elegant and modular light for different applications and settings.

F41 Tripla

Collection

Tripla is a complete collection of lighting components including:

- Pendants
- Wall lights
- Ceiling surface-mounted lights
- Ceiling Recessed lights
- Table lamp

The Tripla glass is a compact and versatile design element and is suitable for use in residential, hospitality, corporate interiors, retail and other commercial applications.

F41 Tripla

Pendants

Tripla pendants are offered in single light or multiple pendant versions.

Tripla's crystal has a crisp clean look and provides just the right amount of sparkle, while also providing direct ambient illumination.

Tripla Pendants are a welcome addition to residential and contract spaces. Use them in powder rooms, dining, living, sleep spaces, as well as in hospitality and retail applications.

Variations:

- F41 A01A 1 Light; square canopy
- F41 G01A 3 Light; 9.25" round canopy; offset mounted pendants
- F41 G03A 6 Light; 11.75" round canopy; offset mounted pendants
- F41 G05A 9 Light; 11.75" round canopy; offset mounted pendants

Multi-lamp Pendants can be installed with canopy on wall or ceiling and can transition between the horizontal and vertical plane.

F41 Tripla

Multiple Pendant Details

Pendants with multiple Tripla fixtures radiate out from a center canopy and use support spools to suspend each pendant.

The wrapping of the wire around the spool adds an extra design element to the fixture and allows fine tuning of fixture heights.

F41 Tripla

Wall Light

Tripla wall lights provide direct and decorative illumination.

The crystal diffusers create refracted light play on surrounding surfaces.

The North American edition of the wall light includes an integral backplate as shown to cover a standard octagonal junction box.

These ADA compliant wall lights are welcome additions to your hospitality and residential projects. Their compact size creates great visual impact.

Variations:

- F41 D01A 1 Light 3.8"W X 4.1"H 3.8" Depth (ADA)

F41 Tripla

Ceiling Light

The Tripla F41 Ceiling Light has a crystal diffuser and aluminum hardware, with a dimmable LED light source.

This piece is a low profile, high impact design feature and fits directly over a standard North American octagonal Junction box.

Tripla's crystal has a crisp clean look and provides just the right amount of refracted light play on its surrounding surfaces, while also providing direct ambient illumination.

Tripla Ceiling Lights are a welcome addition to residential and contract spaces.

Use these surface-mounted design elements in hallways, powder rooms, dining, living, sleep spaces, as well as in hospitality and retail applications.

Tripla works individually or installed in groupings for maximum visual impact.

Variations:

- F41 E01A- 1 Light; 3.8"Square X 2.9"H

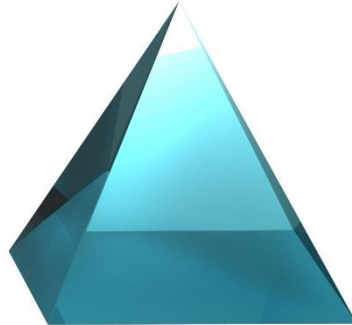

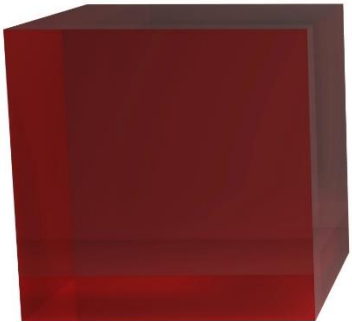

F41 Tripla

Design Notes:

Tripla's design concept was based on **modularity and compact size**.

The form of Tripla was from the logical progression of shapes -cube (Cubetto), sphere (Beluga) to now pyramid (Tripla).

The material is the same fine crystal used in the Beluga and Cubetto families. Each piece of clear crystal **weighs 23 ounces** – a substantial solid piece of Italian Glass.

F41 Tripla

Design Notes:

Finishes – Tripla is offered in three standard finishes:

- Anthracite
- Chrome
- Bronze

Anthracite

Chrome

Bronze

The cut of Tripla's crystal enables the fixtures to create **dramatic refractions** and light play on surrounding surfaces.

F41 Tripla

Technical Notes

Each Tripla uses one LED module that is recessed into the fitter.
The crystal has a frosted lens to reduce glare.

Specs:

4.3W; 120/277Volt 504Lumens; 3000K; >80 CRI

700mA drive

Dimmable with ELV dimmer

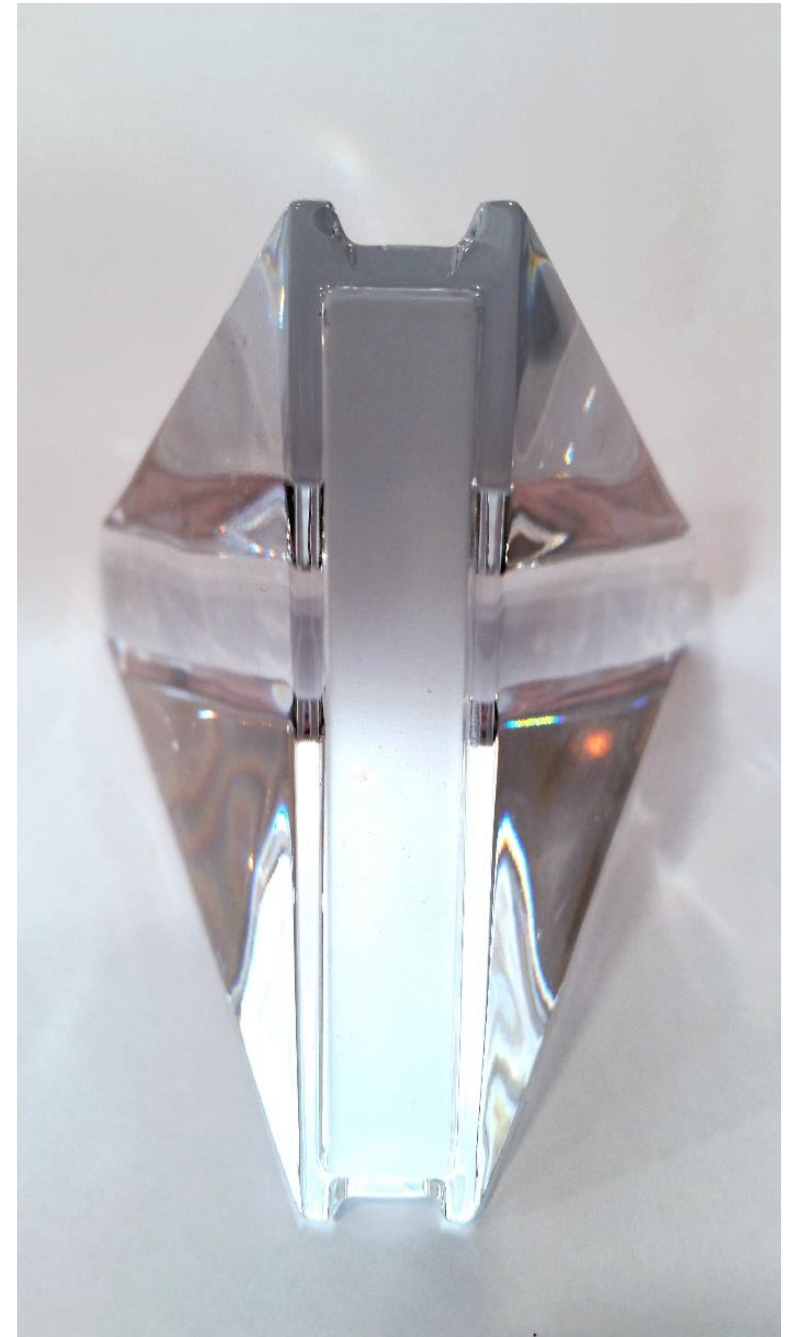

0-10V and TRIAC UNV (120/277V) dimming drivers available upon request.

IES Files are available online

F41 Tripla

Custom Capabilities:

In addition to Tripla's many standard options there is also a customizable offering.

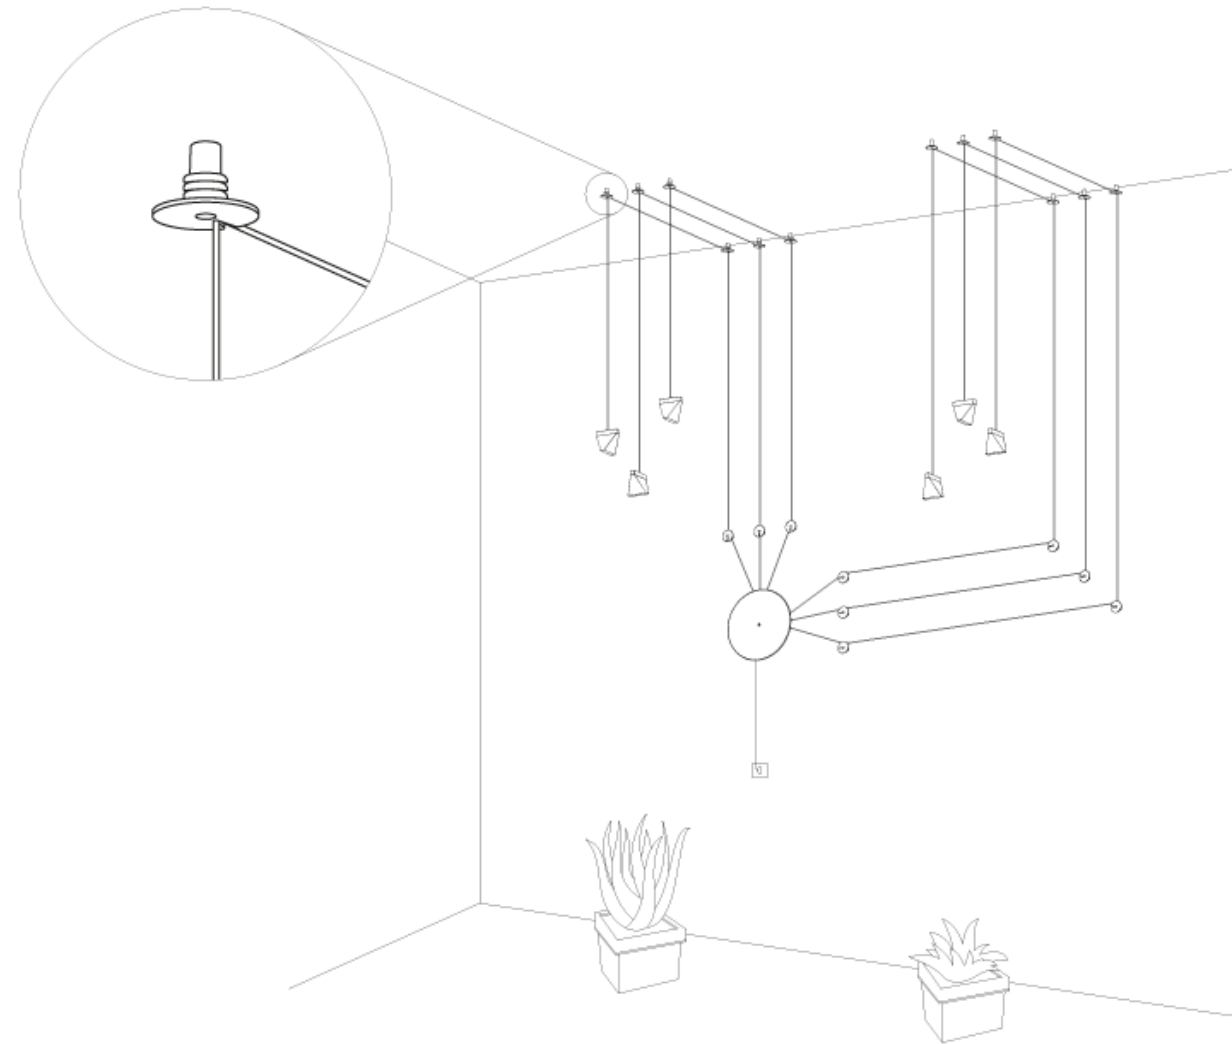

Offering choice of wire lengths, canopy size, and number of pendants.

Tripla can be installed with the radiating canopy or a standard overhead canopy as the project requirements allow.

Tripla pendants are also **WET Location listed** and can be used outdoors with the Outdoor Power supply Box.

- Custom wire lengths:
 - F41 L01A - 118",
 - F41 L02A-236"
 - FF41 L03A- 354"

Contact Fabbian for additional custom variation requirements as needed.

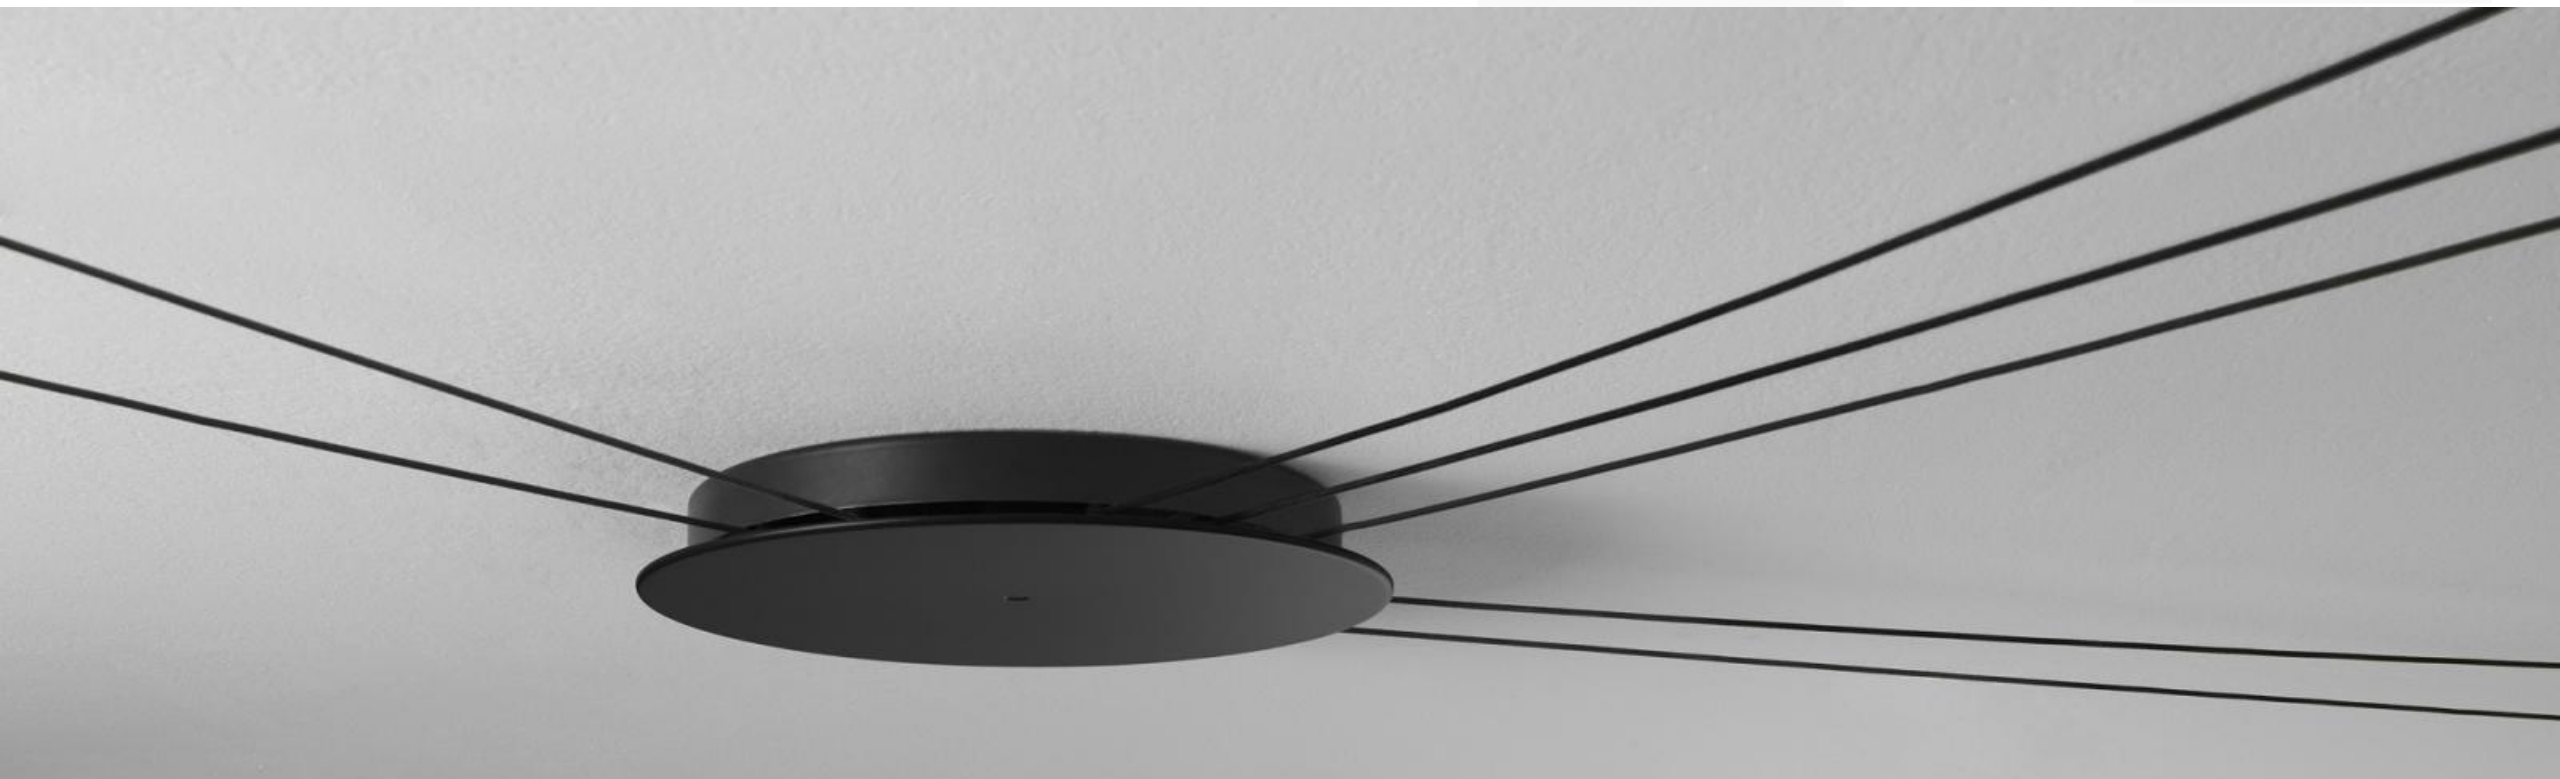

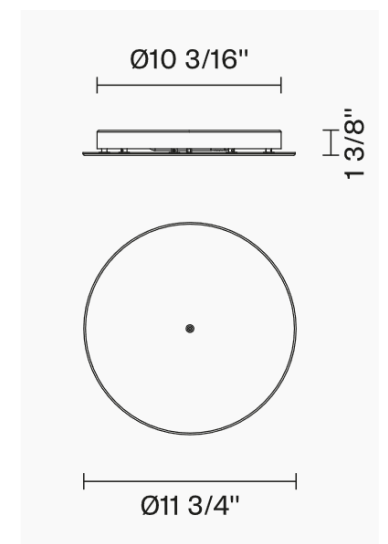

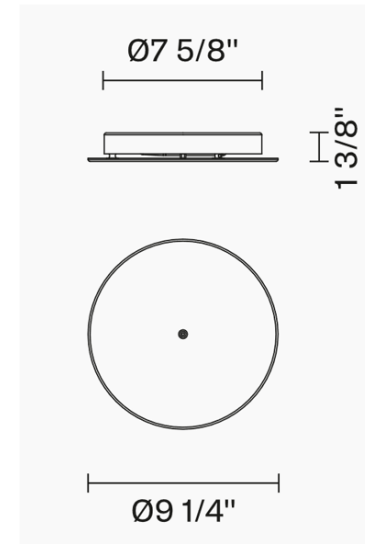

Pendants use the support spool to be suspended independent of the canopy. The extra long lengths of wire allow the user to create unique and striking installations.

F41 Tripla

Custom Capabilities:

Tripla's custom canopies can support 1-3 or 4-9 pendants. Pendant placement can vary from a simple radial symmetry pattern to create eye-catching installations. Dry Location only.

- Canopies:
 - F41 M01A- 9.25" Diameter, 1-3 pendants
 - F41 M03A- 11.75" Diameter, 4-9 pendants

F41 Tripla

Custom Capabilities:

- Installation Accessories:
 - F41 Z01A 00- Support Spool for wires
 - F41 Z10A 01- Twist and lock recessed canopy
- Power Accessories:
 - F41 Z03A 02- Power plug with switch to power your installation with a wall outlet
 - F41 Z11A- Outdoor box for power supply

Support Spool for wires,
use to redirect pendant
locations.

Twist and lock recessed
trimless mounting kit for
low profile pendant
installations.

Power plug with switch to
easily power installation
without a junction box.

For outdoor applications, a
standard NEMA enclosure
can be used to terminate
connections and locate
drivers.
