Company overview.

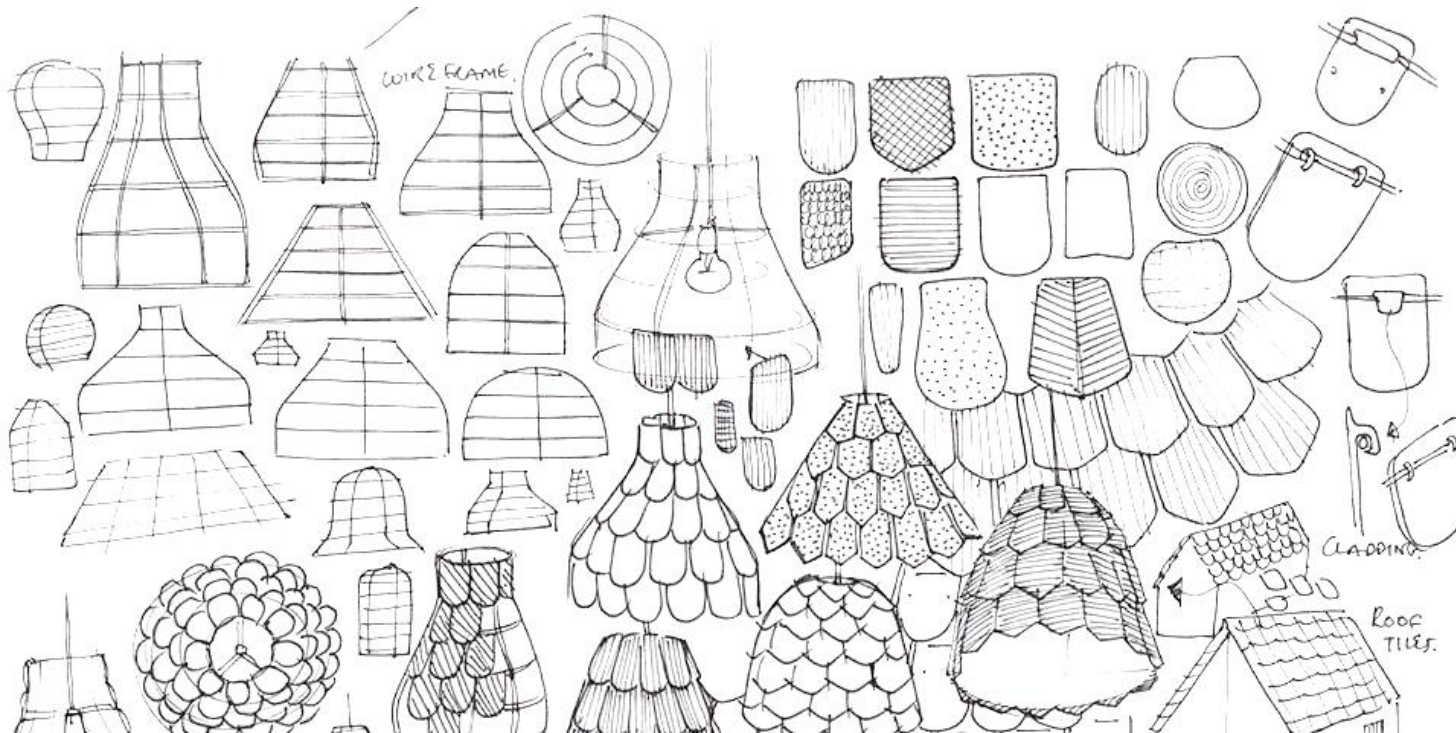

Established in 1961 in the Venetian countryside, Fabbian is one of the premier Italian lighting manufacturers operating in the modern design market, designing and manufacturing lighting fixtures for residential and commercial markets.

This history, combined with traditional Italian craftsmanship and the finest quality, keeps Fabbian a prominent brand that is internationally recognized in the architectural and design communities worldwide.

Company overview.

The endless research on new materials, trends, and aesthetics has always been combined with market demands and new business opportunities.

From the very beginning to the design application, the product life cycle is strictly controlled to make sure that each light fixture meets the highest quality expectations and safety requirements.

These components give Fabbian products a vast and diversified array of inspirations and styles, which is also ensured by yearly prestigious collaborations with well-renowned and emerging designers.

North America.

With over 20 years in North America, Fabbian USA offices are located in the world's capital of design, **New York City**, just blocks from Time Square.

COMPANY PROFILE

Company structure.

Proudly headquartered in Castelmimo di Resana, in the **Venetian Countryside**, the company has an international outreach.

From **Venice**, it manages directly the European region, while it distributes the products through agents or importers in the other macro-geographical areas (Greater China, Russia, South and East Asia, South America, GCC countries, Northern Africa).

Designers.

Fabbian has collaborated with some of the most prestigious designers throughout the world to create unique elements for your home and business.

F30 GIRO

F30 Giro, designed by German design firm Formfjord is an extremely lightweight and airy pendant collection made out of delicate and thin steel rings.

Giro's steel rings combine together to create large scale orbs that are still airy feeling – perfect for large open spaces in residential and commercial applications.

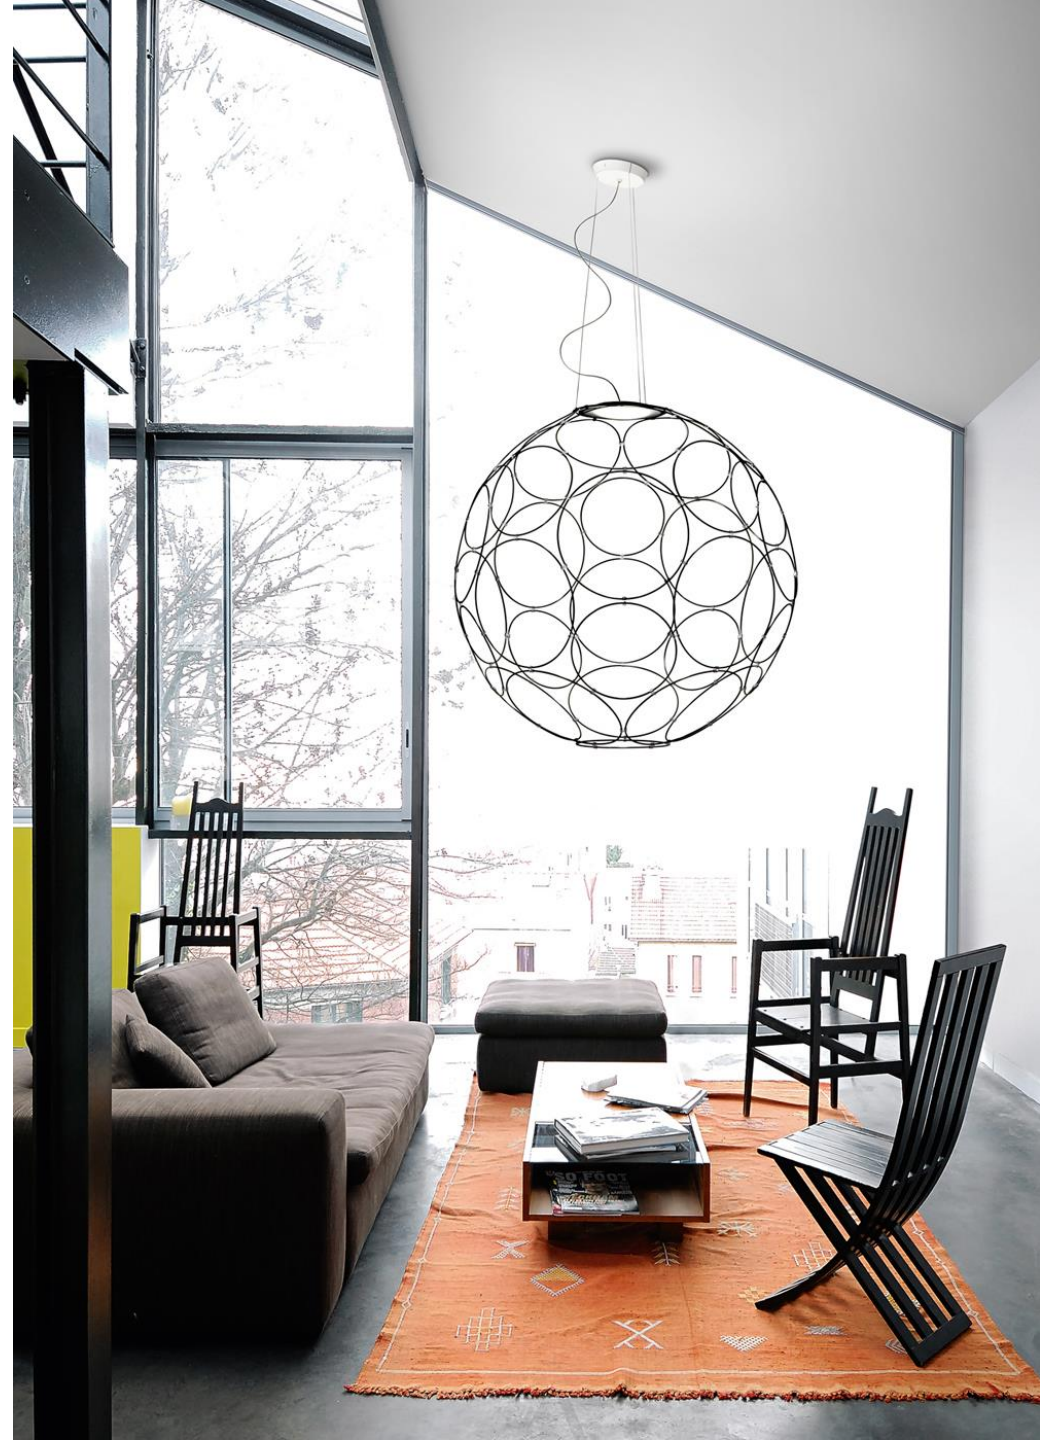

F30 GIRO

The Giro collection of pendants includes two sizes 26" and 33" and two finish options - polished white or anthracite

Each pendant is made from 32 rings of various diameters and one LED light source that can be moved around to create different lighting types.

Use Giro individually or in large groupings to create focal points. The open design will ensure that space is not overwhelmed.
